

HUGHES & COMPANY

Institutional Futures / Options Brokerage

WHO WE ARE

Hughes & Company is a Fort Lauderdale based Introducing Broker that specializes in the institutional futures and options industry. Within this niche space, we provide full-service brokerage for Commodity Trading Advisors for their trading of their clients' futures accounts and we serve as a "home-base" to these CTAs and their clients. We also serve as an Introducing Broker for Institutions, Family Offices, and Professionals who trade in the futures markets for their own accounts. Given our high level knowledge of the industry through these functions, we additionally introduce qualified investors to the managed futures industry and assist with advisor search & selection, due diligence, and implementation.

WHAT WE DO

INSTITUTIONAL BROKERAGE

Hughes & Company works with high caliber FCMs to establish brokerage accounts for Institutions, Advisors, & Family Offices.

RELATIONSHIP MANAGEMENT

We provide full-service introducing futures brokerage to ensure an efficiently streamlined experience for our clients.

COMMODITIES RESEARCH

Hughes & Company is able to provide research useful for Commodity Futures & Futures Options Professionals.

MANAGER / CAPITAL INTRODUCTION

We introduce Commodity Trading Advisors to Qualified Investors.

ADVISORY

We regularly assist our clients with a wide variety of projects, including Risk Management & Strategy Diversification.

EDUCATION

We educate clients in the latest industry products, trading platforms, and 3rd party integrations.

OUR OFFERING FOR COMMODITY TRADING ADVISORS

We provide the organization and infrastructure for our CTA's, enabling them to focus on their main function – The Investment Process.

Traders are provided their desired Institutional-Caliber Trading Platform & Allocation Account for Centralized Execution allowing the CTA to view/track Entire Group Position and P&L regardless of how many Accounts & FCM's are utilized.

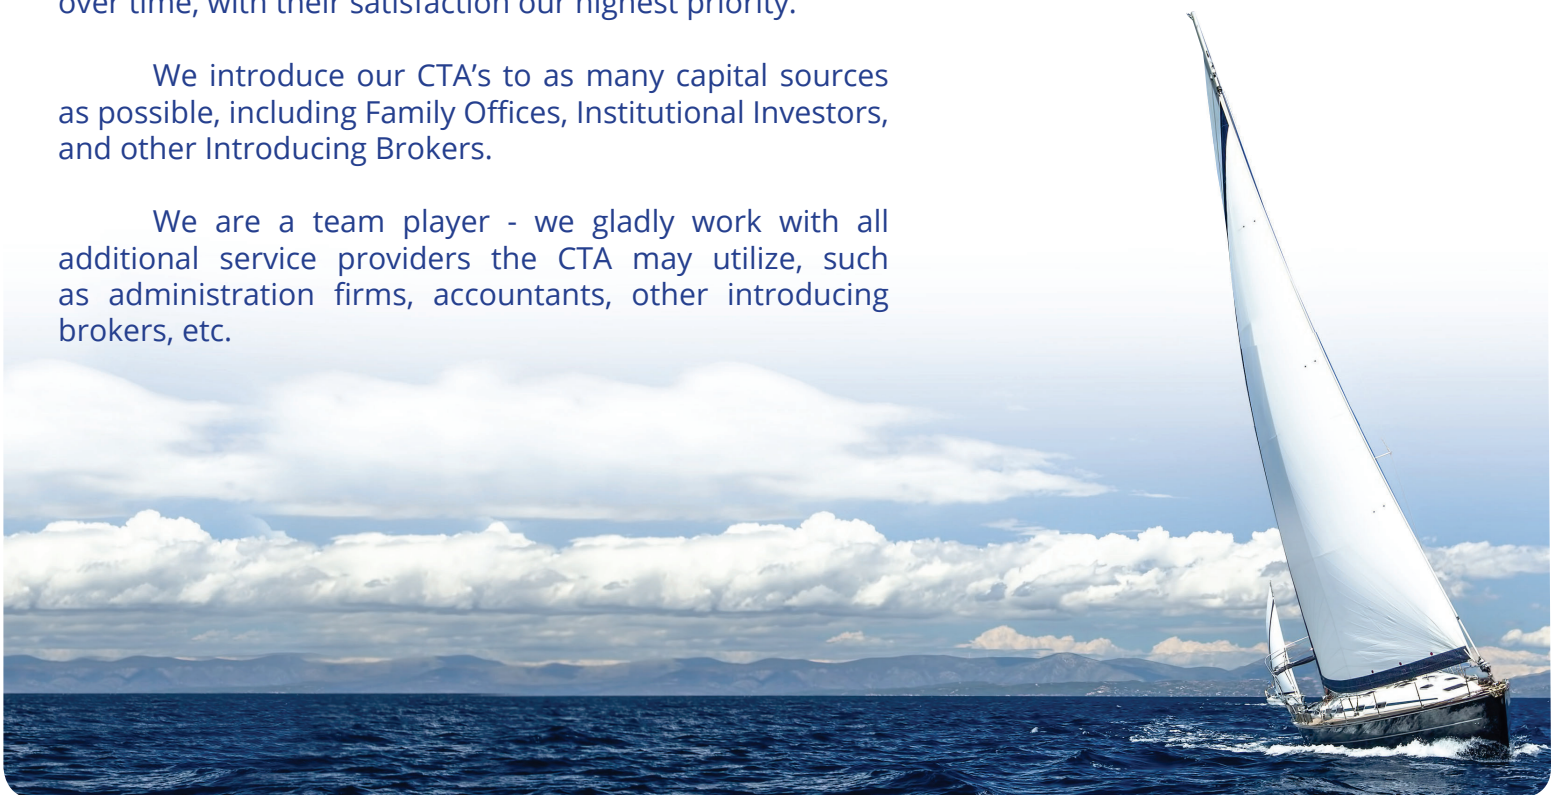

Industry-competitive Commission Structure for the CTA's customer accounts opened through us, with Competitive Margins and Product-Specific Slide-Risk Parameters. We highly understand, specialize in, and provide the best tools & infrastructure for Futures Options trading.

Industry-competitive Give-Up/Execution Fees for the CTA's customer accounts setup at other FCM's and accounts within same FCM but setup outside Hughes & Company.

CTA's organic clients work with us directly, at their convenience, to open their account. We help them every step of the way, and subsequently provide the same level of service to your clients for all of their account related inquiries over time, with their satisfaction our highest priority.

We introduce our CTA's to as many capital sources as possible, including Family Offices, Institutional Investors, and other Introducing Brokers.

We are a team player - we gladly work with all additional service providers the CTA may utilize, such as administration firms, accountants, other introducing brokers, etc.
